DEK-B5 Heavy-duty Bracket

Product specification | A01 / 2018

Changzhou Derke Electromechanical Equipment Co., Ltd.

English translation of DEK-B5.pdf. Source ratings, historical standards and source conflicts are retained. This translation does not update the product specification or issue a new certificate.

Source notes

Source conflict: 50 kg in the description versus 60 kg in the features and table. Do not select a load rating without manufacturer confirmation. Source table does not explicitly print dimension units.

Product description

A wall bracket designed for explosion-proof pan/tilt equipment. It mounts directly to a vertical load-bearing wall and can be used indoors or outdoors. The source introduction states a 50 kg load capacity.

Features

304/316L stainless steel; mirror finish; 360° rotation; manual adjustment. The source feature list states a 60 kg capacity.

Technical parameters from the source
